*A partnership between the Diocese of Columbus Catholic Schools & Columbus Public Health*

---

September 20, 2010

Dear Parents and Guardians:

Columbus Public Health, in conjunction with Diocese of Columbus Catholic Schools, will be offering a special **flu vaccination** clinic for students enrolled at our school to help protect those students not yet vaccinated.

Parents who prefer to have their children seen by their own medical provider should feel free to do so, if the flu vaccine is being offered there.

**Flu vaccine will be available at \_\_\_\_\_ St Pius \_\_\_\_\_ on:**  
*School*  
 \_\_\_\_\_ **Mon** \_\_\_\_\_, \_\_\_\_\_ **Oct** \_\_\_\_\_ **4** \_\_\_\_\_, **2010.**  
*Day of week* *Month* *Date*

**In order to participate, the attached permission form must be completed and signed by a parent or guardian then returned to our school nurse by:**

\_\_\_\_\_ **Wed** \_\_\_\_\_, \_\_\_\_\_ **Sept** \_\_\_\_\_ **29** \_\_\_\_\_, **2010.**  
*Day of week* *Month* *Date*

Nurses from Columbus Public Health will administer the vaccine. Nasal flu mist will be available and will be administered when appropriate, lessening the stress some children may experience when receiving the injectable form of the vaccine.

If you have questions, please contact the school.

Sincerely,

Jonathan M. Cuniak  
 Principal
