Dear Parents and Guardians,

The safety of our students is our highest priority. One of the ways to do this is to make sure our students are leaving the school building by the method their parents or guardians have chosen.

To that end, I am asking you to complete the form below and return it the first day of school with your youngest child.

- Please indicate how your child will be going home each day.
- Communicate to your child's teacher or school office in writing any day this information changes.
- If there is a last minute change in this information, please contact the school office **NO LATER** than **2:00 p.m.** to communicate the change.
- Changes due to study tables or extracurricular activities can be communicated in one note to cover the entire season provided the days are consistent.
- Per our handbook; students will not be dismissed differently than the method indicated on this form without prior written permission, this includes early release and appointment pick-ups.

Feel free to contact the school office with any questions. As always, thank you for your support of St. Pius X School.

Sincerely,

Darren Smith
Principal
