Dear Parents,

State law requires that the school have a complete immunization record on file by the 15<sup>th</sup> day of attendance. You will be asked to remove your child from school if we do not have this on file.

**Immunizations required by law:**

- 5 DPT unless the fourth was given after the 4<sup>th</sup> birthday
- 4 IVP unless the third was given after the 4<sup>th</sup> birthday
- 2 MMR
- 3 Hepatitis B
- 2 Varivax-chickenpox vaccines
- Tdap booster for incoming grade 7
- Meningococcal for incoming grade 7

If your child is not fully immunized and you wish to object for medical or religious reasons, you and your medical doctor must sign an exemption form. I would need to have this on file by the 15<sup>th</sup> day of your child's attendance also. If you wish to file the exemption form, you must understand that if there is an outbreak of a communicable disease for which you filed the exemption, your child will be excluded from school for the duration of the outbreak which could be several weeks.

If you have any questions, feel free to call me at 614-866-6080 ext. 229.

Thank you,

*Angela Silone*
