

Home & School Association Volunteer Signup

www.spxhomeandschool.com

The purpose of the Saint Pius X Home & School Association is to plan wholesome opportunities for social interaction, raise additional funds for school needs, and promote open communication with faculty, parents, administration and students.

Our Home and School Association could not be successful without the help from parent and administrative volunteers. Thank you all for your support!

Our meetings are the 2nd Wednesday of the month, held in the school library. We would love to hear your ideas of how to make our school/community even better!
